Drake responded to a call on Mother’s Day afternoon from a homeowner on Margarita Street to report a large snake on her back patio. She stated that she’s had a few snakes before at her home but this one was just too big. Hmmm...okay, let’s go take a look, right? Upon arrival, a snoozing 5 foot+ gopher snake was located in a shady corner next to a garden cart. After the usual pitch to “maybe just let him/her hang out harmlessly” (no dogs), the wish was for relocation. As the cart was moved to allow pick-up, a second, slightly smaller one was next to the bigger one. But, for the GRAND surprise, yet a third very large one was curled up nearby. First time for a triple! (Also, a lesson for keeping foundation screens tight). The well behaved family was hoisted by the tail into a container for release elsewhere within our area; the homeowner agreed she hadn’t had a rodent problem for a long time. Well, Yeah! Please call Drake’s cell if needed. (805) 796-0398.

The Springs Book Club  
Julie Baker

At our last Book Club meeting on May 10, we were able to put together a new list of books that will take us through May 2018. Together we chose the 11 books that most interested us out of the 37 that were suggested!

We will start our new list at our Wednesday, July 12 meeting. We are not meeting in June as so many of our members are not able to attend. On July 12 we will discuss From Sand and Ash by Amy Harman. We welcome any newcomers who would like to join us to discuss this book on July 12 at 10:00 am in the Clubhouse.

RV Lot Users

Joyce Chase

Just a reminder to all using RV lot: Please double check to make sure the gate is closed behind you when entering and when leaving. Several times the gate has been left open and no one was around. It only takes a moment for someone to sneak in without seeing them and we don’t want another RV stolen or broken into. Thanks to those of you who take responsibility for our lot safety and also letting us know when things aren’t right. Dan (805-407-7879) or Joyce (805-407-8785)

The Springs Board Meeting  continued from page 5

Committee Reports.

-Robbie Dornick: The Springs CERT is sponsoring a Crime Prevention/Neighborhood Watch meeting; guest speaker is Sr Deputy Virginia Tinoco, Camarillo Crime Prevention Officer. The Springs CERT has also been asked to participate in a NOAA/NWS research study on public perceptions of fire weather conditions. Although we’re still working with NWS on the details, this will most likely be confined to CERT members who have received CERT training.

-Ted Elliott: The Common Area has a meeting immediately following this meeting. The resurfacing of Common Area streets is nearly complete. On the agenda for tonight is the subject of upgrading the landscaping of the center island on Irena.

-Kaye Williams: The Fourth of July Party, chaired by Lynn Lewis is on July 4th at 4:30pm.

-Ron Kester: The pool work is completed and passed inspection. The pool will be heated to 82 degrees, and the spa will be heated to 103 degrees on Thursday.

-Ron Kester: The Board had a walk with the Fire department to review weed abatement. Homeowners are to clear from their structure to their property line. A total of 100 feet from the structure is required. If the remainder of that distance is on common area property, they will clear it. If it belongs to Longo, and is not completed by the due date, the fire department will have it cleared and Longo will be billed for the work. Ron also passed on several notes from the fire department.
  1. Sumac, pepper trees and other plants with high oil content should be removed.
  2. Trees overhanging structures should be trimmed back, 3 feet for most trees, 6 feet if they are high oil content trees.
  3. The rains have caused overgrowth; weeding and trimming is needed throughout The Springs.
  4. In the event of fire, it is suggested to block roof vents so that embers cannot enter the attic space. [Ed Note: VCFD recommends all vent openings be covered with 1/8” mesh or smaller METAL mesh]

Community Questions and Issues (limited to 3 minutes per person). The following items were discussed. Homeowner landscaping, violations, committees, tree trimming.

The next Board meeting is tentatively scheduled for July 10, 2017 at 3:00pm.
